

# ZAKIR HOSSAIN

## UI/UX DESIGN & WEB DEVELOPER

Web developer with 2+ years of experience in design and developing user interfaces, testing, debugging staff within ecommerce and web applications technologies. My experience developing ecommerce and web applications is primarily PHP Framework, but I am also comfortable using PHP (Laravel & WordPress) and JavaScript framework (Vue Js, Express Js). I have proven ability in optimizing web functionalities that improve data retrieval and workflow efficiencies in ways that save time and improve user experience.
